GOALS FOR MY CHILDS CARE

People see Chiropractors for a variety of reasons. Some go for relief of pain, some to correct the cause of pain and others for correction of whatever is malfunctioning in their bodies. Your Doctor will weigh your child's needs and desires when recommending the treatment program. Please check the type of care desired so that we may be guided by your wishes whenever possible.

❑ **Relief care** – Symptomatic relief of pain or discomfort

❑ **Corrective care** – Correcting and relieving the cause of the problem as well as the symptoms

❑ **Comprehensive care** – Bring whatever is malfunctioning in the body to the highest state of health possible with Chiropractic care

❑ I want the Doctor to select the type of care appropriate for my child's condition.
